DIRECTORY OF APPROVED PROGRAMS

FOR THE

PREPARATION OF EDUCATIONAL PERSONNEL

IN

ILLINOIS INSTITUTIONS OF HIGHER EDUCATION

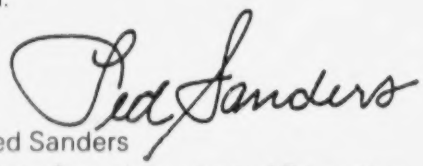
Volume XI
July 1, 1985

FOREWORD

This eleventh edition of the *Directory of Approved Programs* has been updated to reflect the numerous changes in each recognized institution's approved program listing. Several new programs have been approved since the last publication date, and institutions have requested that some programs be deleted from their listings. Changes in personnel and institutional data have also been noted.

A few areas have been reorganized to provide more information and clarification, as the intent of the publication is to further communication and provide assistance in guidance and educational development.

To be of service to all those interested in the preparation of educational personnel, this publication depends upon the accuracy of the listings. Notification concerning any changes in programs, data, or personnel, as well as any comments and suggestions for future revisions, will be appreciated.



Ted Sanders
State Superintendent of Education
